# YOUR JOURNEY TO MASTERY:

## The 4 Core Modules

Our program is an immersive, hands-on experience designed to turn you into a confident, competent coach. You won't just learn theory—you'll gain tangible skills through a blended learning approach that includes interactive workshops, group and peer supervision, and structured coaching practice. Delivered over a 4–6 month period, the curriculum meets the highest international standards and ensures sustained development through real-world application and reflective learning.

### Module 1 Foundation: Leader as a Coach (3 Days)

This module sets the stage for your coaching journey. You will be introduced to the foundational principles, ethics, and competencies that form the backbone of a successful coaching practice. Our experienced facilitators will lead you through a live, synchronous session where you will begin to build your coaching presence and start practicing with your peers.

### Module 2: Creating Insights (2 Days)

This module teaches you how to create breakthroughs for your clients. You will learn to help them build self-awareness, understand emotional intelligence, and align their inner world with their actions. The focus is on using behavioral change models to create those "aha!" moments that are at the heart of powerful coaching.

### Module 3: Applied Positive Psychology (2 Days)

Beyond a problem-focused approach, this module shows you how to use **Positive Psychology** to build on a client's strengths. You'll learn tools like **Appreciative Inquiry** to help them find meaning and purpose, fostering sustained growth and resilience.

### Module 4: Coaching through Ambiguity & Complexity (2 Days)

The modern world is constantly changing. This final module prepares you to coach leaders in a disruptive environment. You will learn frameworks to navigate **uncertainty**, master **systemic coaching**, and develop the skills to be a trusted partner for leaders in a complex world.

# YOUR PATH TO A GLOBAL CREDENTIAL: ICF vs. EMCC

This program is dual-accredited, offering you the flexibility to pursue a credential from either **ICF** (International Coaching Federation) or the **EMCC** (European Mentoring & Coaching Council). TPC Leadership hold an EMCC Global Quality Award (EQA) which is an internationally recognized accreditation for providers of mentoring/coaching training. Ensuring you are in the best hands for your accreditation journey.

## Outcome

You apply for your ICF credential **independently** after completing our program.

You are accredited with the EMCC as **part of the program** (integrated completion).

## Level

**ACC Level 1 Pathway** (Associate Certified Coach).

**Foundation or Practitioner** Level EIA (European Individual Accreditation).

## Training Hours

**Fully Inclusive:** The required training hours are covered by the program. (9 synchronous learning days).

**Fully Inclusive:** Our program covers the required training hours.

## Required Coaching Hours (pre-program)

**Not applicable:** ICF requires post-training, paid coaching hours for your final application (e.g., typically 100+ hours for ACC). This is completed independently.

**Flexible:** Your accreditation level (Foundation/Practitioner) is based on your prior coaching/mentoring experience (hours, clients, duration). We assess this with you.

## Logistics

**Your application is an individual activity that you can complete when you feel ready to pursue your credential.**

We discuss your experience to confirm the appropriate level (Foundation or Practitioner) and finalize your EIA submission.
